# HYPEROFFICE OEM SOLUTIONS

INDUSTRY LEADING TECHNOLOGY FROM HYPEROFFICE WILL HELP YOU CUT DEVELOPMENT TIME AND COSTS, BRING BETTER PRODUCTS TO MARKET, IMPROVE TIME TO MARKET, AND BUILD YOUR BRAND

TOP REASONS TO PARTNER WITH HYPEROFFICE

With an expected market size of $210 B by 2016, cloud computing presents a massive opportunity for IT companies across the board. As a first mover in business cloud services, HyperOffice allows OEM partners to leverage its cloud technology and enter the cloud market anew or enhance their current cloud offerings.

1 **INDUSTRY LEADING TECHNOLOGY**
HyperOffice is a pioneer in cloud-based collaboration since 2004. Our collaboration stack, based on 10 years of experience with day-to-day operational requirements of businesses, is now available to OEM partners.

2 **MODULAR ARCHITECTURE**
HyperOffice technologies have an extremely modular architecture, meaning each part can stand as its own application. OEM partners can selectively plug components into their own stack based on requirements.

3 **FLEXIBLE OEM MODELS**
HyperOffice offers a variety of flexible options to meet a range of diverse OEM use-cases. White-label and seamlessly embed our technology in your own stack. Host in HyperOffice cloud for rapid deployment or host at the data-center of your choice for greater control.

4 **TECHNICAL, MARKETING AND SALES ENABLEMENT**
We work closely with your teams to implement and maintain the solution. Furthermore, we help you every step of the way with training materials, videos, comparison sheets and other collateral to ensure your success.

CASE STUDY – A GLOBAL TECHNOLOGY LEADER

A global technology company expanded its document imaging and scanning solutions by incorporating HyperOffice white-label cloud storage and file sync features. To learn more, contact us.
